Dear Pastor and Church,

May – June 2026

THE SPRINT THAT IS SUMMER!

Summer is always an important time for ministry, camps, VBS meetings, retreats, revivals, you name it, summer brings it on. 2026 has been no different. We have faced a lot of challenges, but people are being saved and the works out here continue to see the Hand of God on them. I will do my best to summarize all that May and June have brought to pass!

THE SPRINT THAT WAS MAY!

We had a wonderful Mother's Day service with a large group of moms present. Right after that, Ganado Baptist Bible College held a graduation service for Rope James. Rope was also able to walk across the platform at Trinity Baptist Bible College in Arlington, Texas as they have done so much to help us with the College for all these years. Rope is going to stay in Ganado for at least a year to further his training and "build something" as he seeks the Lord's will for his long-term ministry.

We had the privilege of traveling to Arlington for the baptism of our grandson, Justus. It was good to reconnect with our sending church and be with Joel and Fabi and family.

I had the privilege of traveling to the Fort Yuma Reservation to preach for my dear friend, Missionary Jacob Jones at New Haven Baptist Church. Bro. Jacob and his wife are working hard to reach the Quechan Tribe. There is a huge need to reach this Tribe with the saving gospel of Christ. Please pray for Bro. Jacob as he is a hard-working missionary reaching a people group that has long been ignored.

Missionary Justin Barnett did his usual great job in leading the annual Men's Camp Out. Many churches came to take part and there was great fellowship and preaching! The men were strengthened and encouraged.

THE SPRINT THAT WAS JUNE!

June saw three major events: The Navajo Nation Cowboy Revival, Junior Camp and Teen Camp. Dr. Gerald McKelroy and crew came from Waco and did their usual stellar job of using their mounted shooting skills, gospel singing, and strong Bible preaching to reach out to the folks in attendance. There were at least three saved. Bro. McKelroy stayed over on Sunday and did a great job of preaching to our folks.

This was the first year to have two youth camps. God blessed and gave us a good number of campers for both camps. Bro. Bob Gray II was our camp speaker for teen camp, but after preaching a great message the first night he was involved in a car accident that resulted in a cracked vertebra. Praise the Lord, he was able to fly back home and will make a full recovery. Of course, that necessitated big changes in our camp, but God blessed again and we saw young people saved and a multitude of decisions made.

Tricia and I were also thrilled to see our grandson, Abishai Dunn, graduate from high school in Durango. This was the first time we have seen one of our grandchildren graduate. So many other things have happened that space does not allow us to write about. The next letter will detail our VBS where 13 were saved! Thank you for standing with us!

Dr. and Mrs. Mark Haynes.
